 speciality

- Epynt Motor Club Ltd -  
**Final Instructions**

Thank you for your entry for this year's Cambrian Mountains Tour.

Your event number is as per the Entry list, which can be found at [www.epyntmc.co.uk](http://www.epyntmc.co.uk)

### **Classes**

Classes for the event are:

- Best classic car (at least 40 years old, MOT exempt)
- Best rally or competition car
- Best modern car (less than 40 years old)
- Best Epynt Motor Club entry (any previous or current member)

An award will be presented for the best turned-out in each class, which will be judged by our Club President, Mr Mike Kennett.

### **Start car park**

The event will start from the Bromsgrove Hall, Dol y Coed Road, Llanwrtyd Wells, LD5 4RA.

The What3Words location is ///timidly.saddens.oddly.

Please follow the marshal's instructions to park in your allocated space and then make your way inside to signing on.

### **Signing on**

Signing on will be inside the Bromsgrove Hall and will start at 8.15am and finish at 9.00am.

Any outstanding payment must be settled in cash.

After signing-on you will receive a Map book, tour plate and dinner tickets.

Please ensure that you attach your rally plate to your vehicle in a forward-facing position.

Tea, coffee and sweet treats will be provided to enjoy before setting off.

### **Schedule for the event**

9.15am	Car '0' will start at 9.15am.
	Entrants will start the event at 9.15am plus their car number.
10.45am	Break 1
1.00pm	Break 2
4.15pm	Finish control open
5.00pm	Dinner served

### **Route**

You will receive a Map book of clear printed OS maps with extra information added to help navigation.

There will not be any tulip diagrams, so a trip meter is not needed.

Orange Epynt Motor Club arrows will also be placed on difficult junctions to point you in the right direction.

There will be a number of controls located along the route, where you will be required to obtain a marshal's signature, answer a clue or write down a code. There will be a small prize for the finisher with the most visited controls and correct answers!

### **Safety**

Part of the route will include a tour of the Bont Rally Stage, near Pontrhydfendigaid.

Due to safety concerns, we have agreed with the following conditions with the owner.

There will be a convoy system in place, with a safety car at the lead and rear of the convoy, which will guide the tour of the stage and ensure that a safe speed is maintained.

Any entrants in a soft-top or open car will need to wear a helmet for this part of the tour, which is encouraged by MSUK for all events at the venue. So please remember to bring a helmet with you if needed.

### **Driving standards**

Please remember that care and courtesy should be taken with regards to other road users.

Please note that whilst the majority of the route uses roads that allow two-way traffic, some roads are single carriageway.

Some additional instructions are given on the maps for your safety and public relations. These will also be signposted with a board on the side of the road (caution, quiet, no entry).

### **Fuel**

Fuel (not E5) will be available at Llanwrtyd Wells Auto Services, LD5 4RF, from 9.30am.

Other fuel locations along the route will be given in the map book.

### **Breaks**

There will be two planned rest stops along the route where you will be able to purchase refreshments from local establishments.

### **Retirements**

If you decide not to complete the event, please let us know by using the emergency contact numbers in your map book. This is for your own safety so that we can account for all entrants.

### **Finish**

The event will finish at The Castle Hotel in Llandovery, where your pre-ordered two-course meal will be served.

There is a car park for hotel patrons at the rear of the building. If you park here, you must input your registration number at the reception desk or you risk receiving a parking fine.

If the Hotel car park is full, please park in the main council car park. Please remember to hand in your Route Check Sheet and bring your dinner tickets inside.

We will be holding a raffle at the finish of the event to raise money for Wales Air Ambulance. Donations of raffle prizes will be gratefully received on the day.

### **Further information**

Please keep an eye on the Epynt Motor Club Facebook page for further updates and feel free to share any photos before or during the event using the tag @Epynt Motor Club.
